

### Fund Objective

The objective of the Fund is to generate income whilst also achieving capital growth over the long term (5 years).

The Fund aims to achieve its objective by investing at least 80% in a concentrated portfolio of shares in companies (the Fund will typically comprise between 35-45 holdings). The investment manager will aim to achieve this objective and spread investment risk through an actively managed and diversified portfolio of shares in companies. These may include companies of any market capitalization, anywhere in the world and across various industries and sectors.

Full investment objectives and policies are in the [prospectus](#).

### Manager's Ambition

Vanneck Ltd is a family-owned business investing our own capital alongside investors. Our ambition is to double our - and investors' - capital over any 10-year period whilst taking as little risk as possible. This is a personal ambition which might not be achieved and is not part of this fund's official objectives.
